3/8" Close Quarter Angle Drill

0370-20

WHAT'S INCLUDED

(1) 3/8" Close Quarter Angle Drill (0370-20)

(1) Chuck Key with Holder

The 3/8" Close Quarter Angle Drill goes where other drills can't. This is the perfect tool for drilling and fastening applications in tight spaces, between floor joists and working overhead. It is compact and lightweight, with a unique chuck angle for close quarters and angled cord exit to keep the cord away from the work area. The drill features a large paddle trigger for smooth control and a conveniently located forward/reverse lever. The textured palm grip provides comfort and control in all positions so you can get the job done like never before.
