

Family of Household Cleaning Products

Granite & Natural Stone Polish

A one-step product specifically formulated for the cleaning and care of granite and other natural surfaces. With its unique blend of cleaners, water spot removers, polishes and protective agents, it restores luster and shine while cleaning, sealing and protecting your valuable countertops. It is environmentally friendly and is safe on all surfaces, even colored group. The 12 oz. is an aerosol (as shown) and the 24 oz. size is a pump spray (not shown).

To Use:

Spray on counter top and wipe off with a clean cloth or paper towel.

To Order:

- 12 Oz. Aerosol CG-12
- 24 Oz. Pump CG-24
