### OVERVIEW

The M12™ Drain Snake is the ultimate service plumbing solution for tough jobs through 2-1/2" drain lines; and weighing only 10 lbs., it's the lightest professional drain cleaner on the market. It's unique, hybrid design provides the benefits of both handheld and floor based drain cleaners in one machine. The tool's fixed drum shield with flat base protects users and fixtures while providing maximum tool support for easy cable feed. Plumbers, Facility Maintenance, and Property Managers will eliminate setup time when they switch from their corded drain cleaning machines to the M12™ Drain Snake. Powered by REDLITHIUM™ Battery Pack which delivers more work per charge and more work over pack life than the competitors. REDLINK™ Intelligence provides optimized performance and overload protection against abusive situations.
