M28™ Work Light

49-24-0185

WHAT'S INCLUDED

(1) M28™ Work Light (49-24-0185)

OVERVIEW

The Milwaukee® M28™ Work Light provides over 5 hours of run-time on a single charge. Powered by the M28™ LITHIUM-ION battery pack (sold separately), the heavy-duty light's faceted reflector delivers a bright, uniform beam. Its 135° rotating head allows you to easily direct the light beam at the desired work area, while its integrated hook enables hands-free use.

The work light features a comfortable non-slip grip surface, and a recessed on/off switch to prevent the light from being accidentally turned on or off.
