Situft Crimped Wire Internal Brush

These side-action brushes are easily adapted to drill presses, lathes, bench grinders and portable tools. Situft brushes should be used only with suitable holders and fully chucked.

Applications: Cleaning Threads, Drilled Holes and Tubes Where Space is Limited

Accessory

Brush Diameter	Brush Area Length	Overall Length	Fill Diameter	Fill Material	Stem Diameter	Part Number
5/32	7/16	2-1/4	0.003	STAINLESS STEEL WIRE	1/16	35176
