

# Steel Wool

There are hundreds of uses for steel wool, and with 8 different grades to choose from, you'll always find the right one for your job. Available in a convenient 8 or 16 pack, steel wool pads are ideal for most household chores, hobbies and projects. The super fine grade is for final finishes; the extra fine grade for buffing and polishing furniture; the very fine for metal polishing; the fine grade for smoothing and finishing; the medium grade for general purpose uses; the medium coarse grade for surface preparation; the coarse grade for paint/varnish removal and the extra coarse grade for heavy duty jobs.

## FEATURES:

- 8 different grades – from super fine to extra coarse
- Handy size is just the right amount for small jobs
- Ideal for most household chores, hobbies and projects
