Cloth Filter and Gasket 16 in. Diameter

49-90-0260

OVERVIEW

To prevent dust and dirt contamination, this cloth filter with a gasket (49-90-0260) covers a wire frame (49-90-0270) and surrounds the bottom of the motor head. The cloth filter can be removed from the frame for periodic cleaning. The 16 inch 49-90-0260 fits Milwaukee vacuum models 8911, 8912, 8925 and 8945.
