

### M3R Aviation Snips

- Cuts straight and slight left and right curves with yellow handles for quick identification
- Blade serrations hold material firmly and spread cutting force uniformly across blade edge, improving cut quality and tool life
- Superior design prevents tears at end of cuts by controlling blade bypass; minimizes folding and burrs
- Cuts up to 18 gauge low carbon, rolled steel
- Spring-action handle for a faster, effortless feed
- Handles have built-in stops, providing consistent operation and blade opening
- Free float design on the pivot bolt provides longer life
- Single-handed latch operation for left or right-handed use
- Ergonomic, single material non-slip handle grips provide excellent control and easy cleaning with built-in hang hole for convenient storage
- Made in the USA

Cat. No.	Handle Color	Handed	Cutter Head / Blades	Blade Length	Cutting Capacity	Replacement Parts	Product Weight
M3R	Yellow	Both	Serrated	1.5 in	18 Gauge Low Carbon Steel	P406 Spring	.90 lb

### M5R Bulldog Aviation Snips

- Cuts straight lines
- For notching or trimming extra heavy stock
- Blade serrations hold material firmly and spread cutting force uniformly across blade edge, improving cut quality and tool life
- Cuts up to 16 gauge low carbon, rolled steel
