Single Stem
Single Spiral

Mill-Rose 1/4" hex-shank power fitting brushes feature high carbon or stainless steel bristles that provide long brush life. These brushes are ideal for quick cleaning of fittings, tubing, drill holes, as well as deburring soft steel, stainless steel, brass, copper, aluminum, plastic and other materials. These brushes have been beefed up to provide greater strength and longer wear under the rigors of power drills and presses.

#6200 Series Hand & Power Tube Cleaning Brushes

6200 Series Tube Cleaning Brush is the first high impact (ABS) plastic tube cleaning brush ever made. High carbon plated steel cleans and scores the outside diameter of tubing with minimal effort and makes for a better soldered joint. Available in plastic bags or carded for point-of-purchase display.
