

STRIP BROOM

Efficient and economical floor brooms make quick work of dirt and debris on all types of surfaces. Lightweight construction means less fatigue for the user. Corrosion resistant frame is firmly embedded with tough, top quality bristles for top performance.

Brush Area Length	Trim Length	Std Pk	Part No.
Fine Sweeping - Blue Flagged Synthetic			
18	3-3/8	1	0005212200
24	3-3/8	1	0005212300
Medium Sweeping - Gray Crimped Synthetic			
18	3-3/8	1	0005211000
24	3-3/8	1	0005211100
Coarse Sweeping - Black Crimped Synthetic			
18	3-3/8	1	0005211400
24	3-3/8	1	0005211500
Coarse Sweeping - Red Tampico Mix / Palmyra			
18	3-3/8	1	0005211800
24	3-3/8	1	0005211900

FINE SWEEPING:

Excellent on any smooth surface such as wood, tile or linoleum.

MEDIUM SWEEPING:

Use on wood, concrete and semi-rough floors. A rugged factory brush for dry, wet and oily surfaces.

COARSE SWEEPING:

Excellent for sweeping extra-heavy dirt, debris, gravel, chips, etc. Use on rough, dry, wet, oily or greasy surfaces.

STRIP HANDLE WITH METAL BRACKET

Used with strip brooms, primarily in the food industry.

Handle Length	Handle Dia.	Handle Type	Std Pk	Part No.
