

OLYMPUS 1.0

Order our Accessories to turn your sink into the ultimate workcentre

OLYMPUS

PACK B

- Pack B includes :
A Steel round bowl
A steel round colander
A wooden chopping board
A glass food preparation board

Created to support a range of food preparation activities – the bowl, colander and glass board fit snugly into the curve of the wooden chopping board to maximise the available workspace. The interchangeable bowls can be used for rinsing, draining and soaking.

BKOLPACKB

PACK C

- Pack C includes :
A steel draining tray
A steel cutlery basket

These both sit on one side of the bowl and are designed to hold plates and other items to drain hygienically over the main bowl, whilst still allowing washing-up to take place.

BKOLPACKC

PACK A

BKOLPACKA

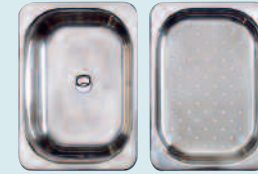

- Pack A is already supplied as standard with your sink, but in case you want to re-order, this includes:
A large steel bowl with waste
A drainer tray

This second moveable bowl can be emptied independently and the drainer that sits on the rim can be used for defrosting and as a food-rinsing platter without compromising the utility of the main bowl.

Olympus Accessory Pack A

- Pack contains:
Large steel bowl with waste
Drainer tray

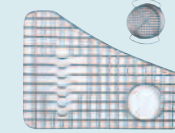

Olympus Accessory Pack B

- Pack contains:
Steel round bowl
Steel round colander
Wooden chopping board
Glass food preparation board

Olympus Accessory Pack C

- Pack contains:
Steel draining tray
Steel cutlery basket
