HAYMAKER® TANKLESS WATER HEATER DESCALER Product Description

Date: August 2017

- **Hercules Haymaker Tankless Water Heater Descaler** quickly and easily dissolves inorganic deposits that restrict flow to restore circulation and heat transfer efficiency.
- Citric acid-based, non-corrosive and VOC free.
- Removes carbonates, sulfates, phosphates, rust, oxides and other mineral deposits.
- Extends the life of the appliance when used as part of a regularly scheduled preventative maintenance program.

APPROVALS & LISTINGS

Certified to
NSF/ANSI 60

SPECIFIC USES

- Safe for septic systems and sewers
- Safe for Potable Water Systems.

SPECIFIC APPLICATIONS*

- Compatible with most commonly found plumbing-related materials including PVC, CPVC, ABS, rubber, steel and most metals.
- Other applications include descaling nonaluminum heat exchangers and water heaters.

*For special applications which may not be covered on this or other Oatey literature, please contact Oatey Technical Services Department by phone 1-800-321-9532, or fax 1-800-321-9535, or visit our technical database website at www.Oatey.com.

DIRECTIONS FOR USE

PHYSICAL PROPERTIES

Appearance Opaque Yellow Liquid
Density 1.22 – 1.26 g/cc
pH 2.5

WARNINGS OR CAUTIONS

MATERIAL SAFETY INFORMATION
