

# Re-engineered Face Protection

Bullard's redesigned line of nylon dielectric brackets offers superior protection with increased versatility and comfort. Users can choose band or slot-mounted styles that securely attach to their cap model hats. Enhancements made to the re-engineered line of brackets include:

- Stylish, sleek, cohesive look throughout the line
- Ergonomic design with easy-to-grip knobs
- Flexibility to accommodate all Bullard Hard Hats and the Bullard Bump Cap
- Band-mounted brackets that fit competitor models
- Visor retainer system that securely locks visor in place

Bullard's nylon dielectric brackets are made from lightweight, durable nylon that is ideal for general-duty applications.

## Cap Style
