

## VINYL REMOVABLE COATING

Specially formulated to protect a variety of nonporous surfaces against abrasion, scratches, moisture, rust, and corrosion—during shipping and in storage. An easy way to keep spray booth clean.

### APPLICATION & PERFORMANCE

Precision tools, stainless steel, anodized aluminum, unpainted metal, paint booths, glass, castings, baked enamel surfaces, mirrors, chrome dies, masking

- Protects non-porous surfaces
- Resists mild acids
- Protects against paint overspray
- Works up to 150°F

SC0322000	12 oz/340 g Aerosol *

## ANTI-STATIC SPRAY

Neutralizes static electricity generated by friction and low humidity conditions. A light coating eliminates static charges immediately. Remains on the surface to suppress static accumulation. Repels lint and dust.

### APPLICATION & PERFORMANCE

Printing and bindery equipment, sheet cutters, textile equipment, rewinders, paper and packing machinery, production feeders, slitters

- Neutralizes static electricity
- Safe on plastic, paper and fabric
- Dries instantly
- Clear non-staining film

OTHER

## BELT DRESSING

Effective performer, even when subjected to wet or outdoor conditions. Will not glaze, collect dirt or dust. Conditions belts while increasing pulling power up to 50%. Equipped with a Spray Anyway™ valve. Reduces squeaky noise, caused by old “V” belts.

### APPLICATION & PERFORMANCE

Leather, rubber, canvas, fabric; flat, round or “V” belts, auto fan belts, farm machinery belting; all industrial belt drives including generators, fans

- Increases pulling power
- Contains no asphalt or rosin
- Does not glaze or collect dirt

SC0607000	11 oz/312 g Aerosol *
SC0607LQ0	14 fl oz/414 mL Liqui-Sol™ Non-Aerosol Trigger Spray **
S60705000	5 gal/18.9 L Bulk *

## FOOD GRADE BELT DRESSING

Ideal for industrial, automotive and food processing applications. Highly-processed ingredients to ensure increased RPM and horsepower, while reducing slippage. Will not glaze, collect dirt, or dust. Effective in the prevention of dry rot and air rot. Conditions belts while increasing pulling power.

### APPLICATION & PERFORMANCE

- Colorless and water resistant
- Rosin and asphalt free
- Increases pulling power
